25X1 4. [] Robert Michaels, House
Appropriations Committee staff, visited the Agency and met with
25X1 [] and John S. Warner to discuss a proposed letter from
25X1 the Agency to Mr. Mahan in connection with our [] problem.
Mr. Michaels made some excellent suggestions which would facilitate
their handling of the matter and he informed us generally of the nature
of the response which we could expect. Such a response should be
most helpful.
